

PIN Pad Point of Sale (POS) Solution

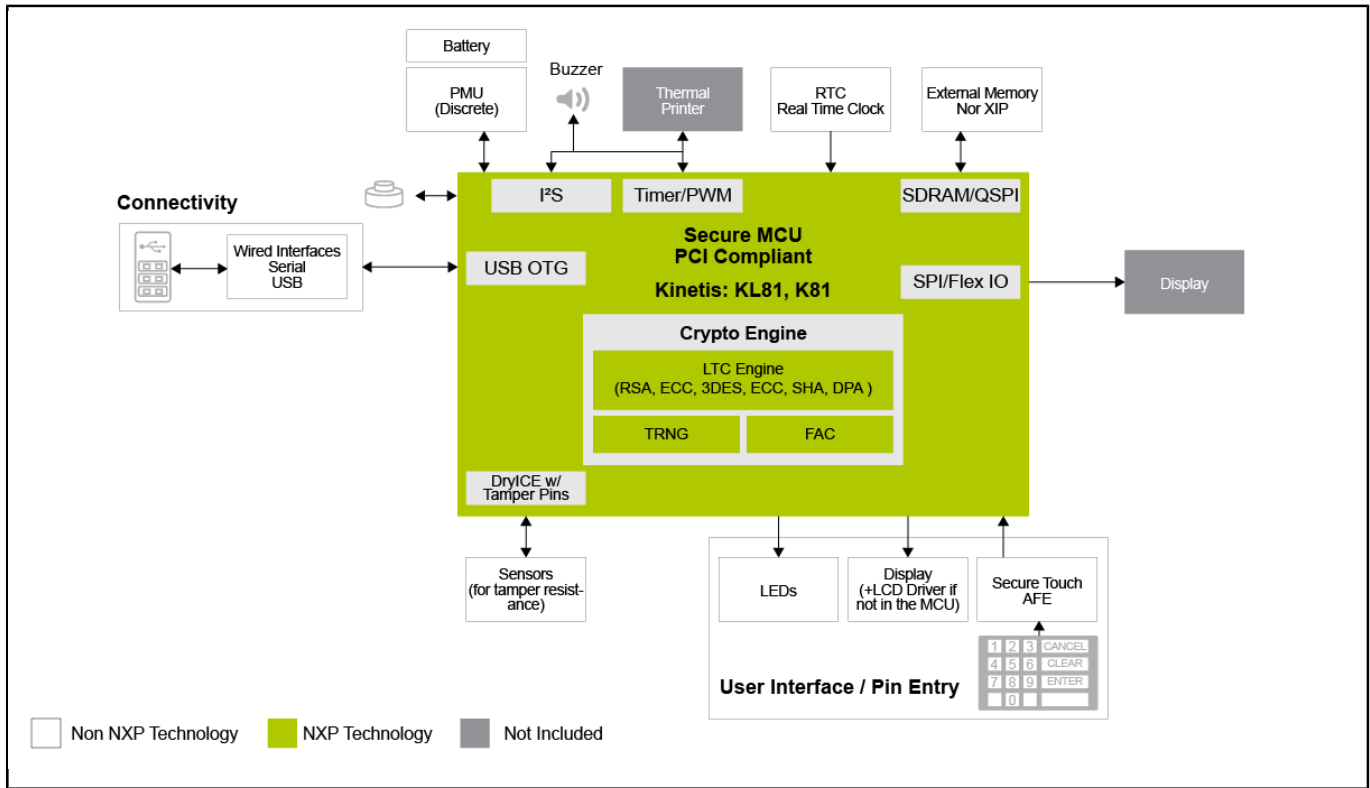

PIN-PAD-POS

Last Updated: May 1, 2023

The PIN pad point of sale solution has been designed to be a PIN entry device (PED) in the PCI certification process and has undergone PCI 4.1 certification. The solution is based on the TWR-POS-K81 Tower® board and comes with design files, Infogard PCI 4.1 submittal paperwork and software used to achieve for certification.
